

To Whom It May Concern:

"The LaBovick Law Group has used David C. Lucey's services as a mediator on a number of occasions. Mr. Lucey has come to every mediation very well prepared and thoroughly familiar with the facts and law of the case. He excels at keeping all parties calm and focused on the facts. Mr. Lucey listens to all sides patiently and carefully, without partiality. Through the use of insightful questions Mr. Lucey helps the parties explore and understand all the issues in the case. He also helps the parties see the benefits of settlement, but without advocating for either side. In short, Mr. Lucey is an excellent mediator and we highly recommend him."

Sincerely,

**LaBovick Law Group**
